

Looking for support as the non-trans* partner of a trans* person?

(at any stage of gender transition/exploration)

A confidential, short-term group is forming in JP

This **free** support group is for non-trans* partners age 18+.

“Partners” includes anyone in a dating or marital relationship, monogamous or non-monogamous.

Topics discussed may include:

- Sexual orientation and identity changes, issues, and concerns
- Changes in sexual intimacy
- How to support your partner while still taking care of yourself
- Balancing openness and privacy when making decisions about coming out
- Resources for continued support
